Adding Amazon Smile

The number you see here is the total number of [eligible](#) orders you've placed at smile.amazon.com on your web browser or with activated in the Amazon Shopping app on your iOS or Android phone, since the first time you selected a charity at smile.amazon.com.

This total may take several days to update after your order ships.

Look for the AmazonSmile badge in [Your Orders](#) to see which of your orders have supported charity.

Bookmark this page to your device or PC to ensure you are using Amazon Smile. Notice you can see the web address is Amazon Smile, The Logo is Amazon Smile, and Supporting says Geneva Music Boosters Inc.

Adding Amazon Smile

Add to your Android or iPhone

Find the **Menu**  on your mobile device and click on **Programs & Features**, then **“See All”** and choose **Amazon Smile** (if you have already complete this on your PC, it will already be on your screen for activation). Otherwise, search for the charity by typing in Geneva Area Music Boosters Inc and select. You must then click on **Get Started** to complete the registration.

If you have done everything correctly, you will receive a confirmation via email.

Receive Donations

How does my charity receive the donations?

Each quarter, the AmazonSmile Foundation makes donations to eligible charitable organizations by electronic funds transfer. Donations will be transferred approximately 45 days after the end of each calendar quarter. To account for product returns, a portion of the quarterly donations will be withheld until the next donation cycle, subject to any reduction due to returns from prior quarters. See the [AmazonSmile Participation Agreement](#) for more details.

Adding Amazon Smile

What happens if we do not register our charitable organization and provide a bank account for an electronic transfer?

If you have not registered and have donations allocated to your organization, we will attempt to contact you with instructions on how to register. If you do not register your charitable organization, including providing accurate bank account information for an electronic transfer, the AmazonSmile Foundation will still track and store donations earned in each calendar quarter. Once you've registered your charitable organization, your organization will be eligible to receive in the next donation cycle all donation amounts that were previously allocated to your organization and were not subject to reallocation under the Participation Agreement. Please note that donations that have been allocated to an unregistered charitable organization from customers that made their first supporting purchase more than eight full quarters ago and have not been distributed will be reallocated to other registered charitable organizations.

How much of the customers' purchase price does Amazon donate?

The AmazonSmile Foundation will donate 0.5% of the purchase price from customers' eligible AmazonSmile purchases to the charitable organizations they select. The purchase price for each item is the sale price, excluding shipping, handling, and gift-wrapping fees, taxes, and service charges, and less any rebates, returns, and bad debt. Certain items are not eligible for and will not result in donations.

What purchases are eligible for donations?

Tens of millions of products on AmazonSmile are eligible for donations. You will see eligible products marked "Eligible for AmazonSmile donation" on their product detail pages. Recurring Subscribe-and-Save purchases and subscription renewals are not currently eligible. For more information, see Qualifying Purchases in the [AmazonSmile Participation Agreement](#).

In order to receive a donation disbursement, what is the minimum amount my organization needs to have accrued from customer purchases?

The minimum amount a charitable organization must accrue to receive a quarterly donation is \$5.00. If the total donation amount due to your organization, based on the purchases by all customers who selected your charitable organization, is less than \$5.00 as of the end of a given calendar quarter, the AmazonSmile Foundation will hold the donation amounts and add them to donation amounts allocated to your organization in subsequent calendar quarters. However, if you have an accrued donation that remains below \$5.00 for four consecutive quarters, the AmazonSmile Foundation will disburse accrued donation amounts to you in the donation cycle following the fourth quarter, even if the donation amount is less than \$5.00. For complete details, see the [AmazonSmile Participation Agreement](#).

Can I view the amount of donations my charitable organization has received?

We currently do not provide reports that enable viewing of donations received.

I registered but didn't receive a donation. What happened?

If you registered, but did not receive a donation disbursement, please ensure that you have added the correct bank account information for your organization to your Org Central account. Also, you will not receive a donation disbursement if your organization's earnings are below the minimum donation amount of \$5.00. Note that donations accrued during each calendar quarter are disbursed approximately 45 days after the end of that calendar quarter. Even if your organization does not accrue at least \$5.00 in donations, the AmazonSmile Foundation will make a donation at least once per year. If you have questions, please [contact us](#).
